## *Silent Auction for Scholarships*

On behalf of the attendees, volunteers, and staff of the International Conference on Diverse Abilities & Innovative Supports 2008, we send our warmest aloha.

As we prepare for the upcoming conference in August, we are approaching many of our community partners such as you requesting consideration in having items or services donated to our silent auction. This event raises awareness and funds to assist those who may not otherwise be able to afford this learning conference and your support is gratefully appreciated.

100% of the proceeds from the silent auction will be used to provide scholarships for the 2009 conference and we hope that we can count on your support. Along with this letter we have included a form to be completed and sent back along with your donation. This form allows us to do a couple of things; it allows us to be specific about your donated item or service and it further allows us to promote your business, services and/or products as a way of showing our appreciation for your donation. Completing the form as legibly as possible prevents any misunderstandings when it comes to your contribution.

We invite you to learn more about the conference, see who has partnered with us, and more by visiting our website at <http://www.lifelibertyandthepursuitof.com>. We also invite your questions via email at [info@craconferences.com](mailto:info@craconferences.com) or by phone message at 1-888-542-8555. You can use this same number to fax your form to. The mailing address for all silent auction contributions is listed on the form.

We thank you for your kind attention and your thoughtful consideration in this request. We hope you see the value in supporting the silent auction and realize the positive impact your donation will have on others.

With warmest aloha,

Stephen C. Potts, CMP  
Conference Coordinator
