

## **Self-Determination Applied: My Voice Heard**

**Presenter:** Brian Kajiyama

**Intended audience:** All Audiences

### **Session Description**

This inspiring and informative session will share the many unique experiences encountered as Brian fought to have his voice heard when few would listen. Battling bureaucracies that threatened to stand in the way of his vision for self-determination and self-advocacy, Brian used his knowledge, skills and fortitude to insure that his voice would be heard.

Experience one man's voice and the impact that being able to "speak" has had on his life.
