

"Possibilities & Disabilities - a Conscious Connection to the Future"

Presenters: Kerri Bowers

Intended Audiences: All Audiences

Keri Bowers gets participants up on their feet to experience "Possibilities & Disabilities - a Conscious Connection to the Future" in her riveting presentation which kick-starts this exciting conference. As a parent, disabilities advocate, filmmaker, and workshop presenter, Keri draws upon 20 years experience to help participants apply practical and conscious strategies to plan for futures in disabilities. As a pre-cursor to her workshop on "Mapping Transitions to Your Child's Future" (day two,) Keri enrolls audience members in the process of opening hearts and minds to the process step she calls "power tools" for futures planning.
