DVD: Doing Our Best Work: 10 Ingredients of Quality Support (2008)

(See my site for testimonials)

This 16-minute video looks at ten essential components of quality direct support.

1. *Believing in positive possibilities*
2. *Building community relationships*
3. *Listening deeply*
4. *Working as a team*
5. *Embracing curiosity*
6. *Understanding the power of language*
7. *Supporting people through relationships with them*
8. *Asking "What brings out the best in this person?"*
9. *Having power with, not power over*
10. *Questioning structures and policies that limit people's freedom and relationships*
